OF CORRECTION

Re: United States Patent for
Electrotherapy Device Using Low Frequency Magnetic Pulses
Application No. 09/194,930; Filed June 5, 1997
Patent No. 6,234,953; Issued May 22, 2001
Our File 033477/173868 (3477-124)

Sir:

It is respectfully requested that a Certificate of Correction be issued for the above-identified patent, in accordance with 37 C.F.R. §1.322. This request is made in order to correct the mistakes incurred through the fault of the Patent Office.

Claim 5 as it currently appears in the issued patent is the same as Claim 17 of the issued patent. Claim 26 of the application was not included in the issued patent and apparently should have been renumbered and printed as Claim 5.

The mistakes appearing in the patent are set forth on the Certificate of Correction enclosed herewith, with an additional copy thereof and a postal card being enclosed in accordance with the present Patent Office practice.

Respectfully submitted,

Samuel G. Layton, Jr.
Registration No. 22,807
